- Committee - Andrea, Daniel, Pat, Trevor, Fiona, Maria,  
- Renee & Kim from TDC present LTP  
(Executive leadership team)

Kim outlined the context of the LTP. (available on-line)

Growth: 2034 popd = 67,900 (10% increase)

Sufficient development capacity

External: climate change & natural disasters

- economic growth
- legislation: local govt, RMA, 3 Waters.

Financial: accumulated reserves run out

- inflation + interest rates
- Waka Kotahi funding. 51% (?) road maintenance

Transport options generated discussion re state of local roads, cycle trails. Further discussion on rates in country vs town; current proposal 9.6% increase.

A point was made that valuations can be appealed.
